This game is weird and pretty messed up. It's amazing how attached you get to the two main characters throughout the game.

I wouldn't consider it scary by any means, but it is a fun game!. \u2665\u2665\u2665\u2665ing amazing game, and it really shows since it was given an anime LUL
simple pixel art but its cute in a creepy way, the story is really good, both main characters are really well done too, they're character development is so well done and so cute~!

actual kreygasm. good game lovely story. Just as what you'd expect if you seen the anime. 10V10 <3. It was a very nice game. I hated Zack at first but he got better as time went by.

It wasn't the best game I've ever played, but it was still fun.

I'm really really in love with this game, haven't seen anime adaptation yet but i'm sure its also goodie. I strongly recommend everyone to buy and play this game. All of the characters are interesting, especially Zack <3 He's just very cute. Sooooo if ya got money go and buy it :). Please... kill me
