This is no advanced skateboarding game like the Tony Hawk's series and it isn't a likable Simpson's game like 'Hit & Run.

1. [the simpsons skateboarding longplay](#)

All of the characters' voices were recorded by the actual voice actors from The Simpsons.. ' This game is slow, annoying and extremely hard to control I don't recommend this to any Simpson fans, any skateboarding fans, I don't recommend this to anyone.. The game was developed by The Code Monkeys and published by Fox Interactive and Electronic Arts.. The Annual Skate Tour has come to Springfield, and the entire town has gone skate-crazy for halfpipes, ramps, and rails.. The game was widely panned by critics and is considered one of the worst video games of all time.
