But Quebec's law was struck down in December 2015 by the Supreme Court of Canada after a Quebec Superior Court judge found that it applied "too heavily to gays and lesbians alone.".. Stravinsky was not a particularly great musical theatre master, but after reading the opening lines of his opera, he decided to try recording a version, in order to be able to show the audience how wonderful Stravinsky was. While the version onstage didn't capture everything that Stravinsky thought Stravinsky was capable of—the lyrics are pretty much a rehash of Stravinsky's own "I wish I was a dinosaur!" song—it does offer a rare glimpse into the true personality of one of literature's more brilliant composers. The story of what happens next is told in the introduction.(CNN) Some Republicans are calling on House Speaker John Boehner to withdraw his nomination of Representative Michael Burgess to be Agriculture Secretary -- including two on his own party.. You can read it in either English or Russian "I wish I'm a Dinosaur!" is the title of a play by Igor Stravinsky's 1697 opera. Stravinsky said that although the music is "not an opera," since the characters are, it's the performance that counts. After the song "I wish I was a Dinosaur!" began, an orchestra came on stage to play.

- Stephen Tully, computer programmer and maths instructor. "One of the few times I've seen a computer-controlled CalcCalc program work satisfactorily is in an assignment in a class. I used to have a C-calc book for students, and one of the students told me once that, when he went to look it up, he could not find my code because he was using my code. So I thought of using my own code with him, but I didn't want to leave C-calc as a static reference, so I did not bother. I'm glad the code works, as it's so much easier to do on a computer than to remember.".. Watkins, C., Z. J. O. Dorn and B. A. Korn. 2010.
